surveys the bureaucratic mistakes including poor weapons and strategic blunders that marked america s entry into world war ii showing how these errors were overcome by the citizens waging the war

a comprehensive review of world war ii that offers a global level analysis written for academics and students of history world war ii in global perspective 1931 1953 presents a dynamic and global account of the historical events prior to during and after world war ii the author a noted expert on the topic explores the main theaters of the war and discusses the connections between them he also examines the impact of the war on areas of the world that are often neglected in historical accounts including latin america sub saharan africa and the so called neutral countries this comprehensive text clearly shows how in the struggle against the axis powers the united states replaced britain as the global superpower the author discusses the japanese invasion of manchuria in 1931 and the korean war 1950 1953 and argues that the core

years of the war 1939 1945 cannot be understood without considering the turbulent events that framed them the text puts world war ii in context as a series of large regional conflicts that intersected and overlapped finally emerging as a genuine world war with the formal entry of the united states in late 1941 this vital text offers a comprehensive review of world war ii that frames it in a global context gives weight to the economic and political developments of the war provides a robust account of the main military campaigns contains illustrations and maps that themselves highlight little known aspects of the global war

major international experts offer new interpretations of the key aspects of the origins of the second world war

this is the first comprehensive study in english of soviet women who fought against the genocidal misogynist nazi enemy on the eastern front during the second world war drawing on a vast array of original archival memoir and published sources this book captures the everyday experiences of soviet women fighting living and dying on the front

one of the central events of modern history world war i has been poorly presented in english language films torn between the powerful isolationist movement in the u s and a growing hatred of the hun contemporary films were mainly propaganda calling citizens to arms the american film industry used the outbreak of the war and the government s interest in promoting patriotic sacrifice as a means to expand and take the lead in the film industry worldwide more a business model than an art form these early efforts claimed a place of respectability for film among the arts twenty years later though films produced about the war were few they were technically superior and generally carried conflicting messages about the war s mission and value while focusing more on storyline than history this study of english language world war i films examines nearly 350 films from 1914 to 2014 descriptions and critiques of each of the films are included with stories and details about the actors and directors

historical personal and technical aspects of the second world war are explored in this six book series each book examines a different facet of the war from the military machines and battles to the leaders who brought their people through the terrible times details of military weaponry battle plans and personalities will bring this conflict alive for readers

collection of incunabula and early medical prints in the library of the surgeon general s office u s army ser 3 v 10 p 1415 1436

this guide to the study and use of military history is designed to foster an appreciation of the value of military history and explain its uses and the resources available for its study it is not a work to be read and lightly tossed aside but one the career soldier should read again or use as a reference at those times during his career when necessity or leisure turns him to the contemplation of the military past

alarming levels of fear and suspicion developed in australia following the german victories in europe of 1940 it was believed the nazis had prepared an army of subversives a fifth column to undermine the war effort these suspicions plagued the australian home front for much of the

war

even as a young man hitler was often angry when things didn't go his way he always looked for someone to blame after germany was defeated in world war i hitler became determined to rebuild it into the most feared power on earth at the heart of hitler's determination was an evil plan to destroy those he blamed for germany's loss the jewish people meanwhile on the other side of the world japanese armies swept through china and the pacific taking over lands and terrorizing citizens of the conquered countries before long japan and germany joined forces believing that nothing could bring them down however those who believed in freedom and justice also joined forces soon the world was in a war of unimaginable death and destruction in the end the evil would be defeated

the story of hungary's participation in world war ii is part of a much larger narrative one that has never before been fully recounted for a non hungarian readership as told by deborah cornelius it is a fascinating tale of rise and fall of hopes dashed and dreams in tatters using previously untapped sources and interviews she conducted for this book cornelius provides a clear account of hungary's attempt to regain the glory of the hungarian kingdom by joining forces with nazi germany a decision that today seems doomed to fail from the start for scholars and history buffs alike hungary in world war ii is a riveting read cornelius begins her study with the treaty of trianon which in 1920 spelled out the terms of defeat for the former kingdom the new country of hungary lost more than 70 percent of the kingdom's territory saw its population reduced by nearly the same percentage and was stripped of five of its ten most populous cities as cornelius makes vividly clear nearly all of the actions of hungarian leaders during the succeeding decades can be traced back to this incalculable defeat in the early years of world war ii hungary enjoyed boom times and the dream of restoring the hungarian kingdom began to rise again caught in the middle as the war engulfed europe hungary was drawn into an alliance with nazi germany when the germans appeared to give hungary much of its pre world war i territory hungarians began to delude themselves into believing they had won their long sought objective instead the final year of the world war brought widespread destruction and a genocidal war against hungarian jews caught between two warring behemoths the country became a battleground for german and soviet forces in the wake of the war hungary suffered further devastation under soviet occupation and forty five years of communist rule the author first became interested in hungary in 1957 and has visited the country numerous times beginning in the 1970s over the years she has talked with many hungarians both scholars and everyday people hungary in world war ii draws skillfully on these personal tales to narrate events before during and after world war ii it provides a comprehensive and highly readable history of hungarian participation in the war along with an explanation of hungarian motivation the attempt of a defeated nation to relive its former triumphs

a history of our time

the focus of this volume is not on the consequences but rather on the connection between the great war and the long 19th century the short and long term causes of world war i

vols 13 62 include abridged annual reports and proceedings of the annual meetings of the american missionary association 1869 1908 v 38 62 include abridged annual reports of the society s executive committee 1883 84 1907 1908

in this unique view of winston churchill readers see him first as he fought world war ii and then as he wrote six volumes of memoirs about the war which secured his reputation and shaped the public s understanding of the conflict 16 page photo insert
